

How to Look Up Doctors in the Network: click: www.multiplan.com

Go to "Find a Provider" in upper right hand corner:

[Provider Resources](#) [Payer Resources](#) [Find a Provider](#)
[Solutions](#) [Services](#) [Markets](#) [Company](#) [Careers](#)

Click "ok" in lower right corner:

Please Read Before You Proceed
We work hard to ensure our data is accurate, but provider information changes frequently. Also, finding a provider on this site is not a guarantee of benefits coverage.
Before you receive care, you should contact:

- The provider to verify new patient status, location and network participation.
- Your health plan to verify your benefits.

OK

Click on Select Network Button:

Select Network

Providers listed may not be in your network

Click on MultiPlan:

Which network would you like to search?
(usually a logo on the front or back of your benefits ID card)

PHCS
